

## BalanceBox 400

### **BBW.0400-66** BalanceBox 400 for touch screen 38 - 66 kg (incl. mount max. VESA 800x400)

Last year, SmartMetals introduced a completely new line solutions for touch screens on the ISE. These solutions are used in an increasing degree in educational facilities, which moved us for the following development. SmartMetals introduces in the Amsterdam RAI a new line-up for interactive whiteboards and a fully renewed Tip&Touch stand which can be adjusted manually (by gas spring) or motorized (electrically controlled). With these solutions SmartMetals keeps her number one position in innovative educational solutions.
