

PRODUCT LEAFLET

Lockable lid

063.7260 Lockable lid for 052.72x0, 062.72xx series & 062.7105

For floor lifts it is possible to place peripheral equipment on the back side of the VESA bracket. This lockable lid allows protecting the equipment from theft or vandalism. Now renewed including option to turn on/off mini/NUC PC.
